Hyderabad, India (Remote)
PMP®, CSPO®

PROFILE

- CRM Manager with 5+ years owning player lifecycle and retention for fast-moving iGaming operators.
- Hands-on with Smartico end-to-end, from behaviour-led segmentation and automation flows to multichannel campaigns and bonusing.
- Proven crypto-casino experience across multiple global markets.
- Analytical and commercial. Happy to inherit a setup, keep what works, rebuild what does not, and build from scratch in ambiguous, scaling environments.

CORE STRENGTHS

- **CRM Platforms:** Smartico (hands-on), Optimove, Solitics, Brevo
- **Lifecycle:** Acquisition to first deposit, onboarding, retention, reactivation, VIP
- **Segmentation:** Behaviour-led, player value tiers, RFM, A/B testing
- **Channels:** Email, SMS, Push, On-site pop-ups and widgets
- **Bonusing:** Rewards, missions and ladder, reloads, cashback, free spins, loyalty and bonus store
- **Markets:** Global markets, crypto and fiat; multi-market (DACH, AU, NZ, NO, FI, AR, FR, IT)
- **Platforms & Data:** Softswiss, Gr8 Tech, Pragmatic Solutions (PAM); KPI ownership, SQL (working), Excel, BI

EXPERIENCE

CRM Manager, Retention & Lifecycle

Straight-Talk iGaming (Remote) | Mar 2024 to Present

Multi-brand, crypto-friendly casino and sportsbook operator

- Own CRM end-to-end for a 100K+ player base.
- Cover acquisition to first deposit, onboarding, retention, reactivation and VIP.
- Run CRM on Solitics with Softswiss, building segmentation frameworks, automation journeys and multichannel campaigns across email, SMS, push and on-site.
- Design bonus and promo mechanics: rewards, missions and ladder, reloads, cashback, free spins, loyalty and bonus store.
- Build gamification widgets (scratch cards, wheels, slots, leaderboard challenges) to lift engagement and deposits.

- Moved players from one-size-fits-all messaging to targeted, behaviour-led campaigns, then optimise value, frequency and offer from live performance.
- Partner daily with product, acquisition, digital media and BI to align CRM with commercial goals.
- Report weekly on KPIs and player behaviour.
- Operate across global markets and multiple languages, balancing strong growth with retention and compliance.

CRM Consultant, Crypto Casino

Remote | Jan to Mar 2026 (Contract)

- Delivered CRM and lifecycle support for a crypto-first casino brand.
- Ran Smartico hands-on, building segmentation and campaign flows.
- Focused on onboarding and early retention for crypto-depositing players.

Account Manager

Pragmatic Solutions (Techmojo) | Mar 2022 to Feb 2024

- Owned the CRM module within a B2B iGaming platform (PAM).
- Turned operator needs into build for onboarding, bonusing, segmentation and reporting.
- Launched 6 brands on Agile delivery.
- Integrated CRM, Payments, Affiliate, Risk and Compliance modules with best-in-market third-party PAM integrations.
- Bridged operators, product and engineering.
- Awarded best Account Manager for retention and issue resolution.

EARLIER EXPERIENCE

Product, project and CRM roles | 2012 to 2022

- Worked across SaaS and enterprise tech: VAG Group, BERMAD, Tech Mahindra.
- Delivered Salesforce CRM rollouts and new-brand launches.

CERTIFICATIONS & EDUCATION

- **PMP®** (Project Management Professional), PMI
- **CSPO®** (Certified Scrum Product Owner), Scrum Alliance
- **Google Project Management**, Coursera
- **Bachelor of Engineering**, VTU, Belgaum, India (2008 to 2012)
